

SET YOUR SUPPORT IN STONE FOR NATALIE'S HOUSE

An eight-bed home in the West Valley offers a safe haven for girls ages 11-17 escaping from sexual exploitation and abuse. Teens at Natalie's House, run by APECA (Arizonans for the Protection of Exploited Children & Adults), receive shelter, food, and clothing. In addition, they are offered a recovery program to assist them in making the transition to a normal, healthy life.
