Give More Together

Let's raise funds for APECA/Natalie's House with Pampered Chef!

What is Natalie's House?

It's a home in Arizona that can offer a safe haven for girls ages 4-14 who are recovering from sexual exploitation and abuse. Girls at Natalie's House receive shelter, food, clothing in addition to being offered an intensive recovery program which includes outings and educational strategies. This assists them in making the transition to a normal, healthy life.

How can you help?

You can still help by placing an order ANYTIME before the end of August. SHARE WITH FRIENDS TOO! Your items will arrive in 7-10 business days. THINK GIFTS TOO!
